INVITATION TO PROVIDE QUOTATION

Atherstone Town Council is undertaking a small redevelopment of two parts of Atherstone Cemetery, to provide facilities for the scattering of ashes.

The work will involve the installation of new footpaths, benching, building of memorial walls, and planting of mature trees, shrubs and hedges.

The work will also include the installation of a secure vehicle gateway, into the bottom end of the cemetery, from the neighbouring allotment site.

Suitably experienced landscape contractors are invited to express an interest in undertaking these works.

In the first instance please contact the Town Council's representative for further details, and to express interest.
