Atherstone Town Mayor Cllr Richard Barker is pictured handing over a cheque for £255.00 which was raised at the Civic Reception he hosted at the 2014 Dickens Night Celebrations.

At the Civic Reception the Mayor was joined by guests from around the area and the Mayor donated the proceeds raised on the night of the event to his appointed Charity for this year—St Giles Hospice.

St Giles cares for over 500 patients each week, with 80% of this delivered out in the community. All services are provided free of charge, and St Giles relies heavily on the support of the local community to provide their care. Aaron Coleman, Community Fundraiser at St Giles, praised the generous donation "St Giles would like to thank Richard and everybody who contributed on the night to raise funds for St Giles. This is a fantastic amount of money and will make such a difference to the care we provide for the local community. We hope it will inspire other people and businesses in the Atherstone area to support their local hospice."

With 1 in 3 of us touched by St Giles Hospice care in our lifetime, there will be many local people today and in the future, in need of the care and support provided by St Giles Hospice.

Dickens Night is a major attraction for Atherstone, providing a marvellous evening of entertainment for thousands of people, enjoyed by young and old alike.

The hard work and effort put in by the organisers, on a voluntary basis, is to be congratulated and they are wholeheartedly thanked by the Town Council for providing such an excellent event.
