October 22nd 2009

Planning Division
North Warwickshire Borough Council
PO Box 6
Council House
South Street
Atherstone

Dear Sirs,

At the Planning Committee meeting of Atherstone Town Council held on Wednesday 21st October 2009, the Town Council considered recent planning consultations:

1) PAP/2009/0374 82 South St Atherstone.

Two storey side extension and new porch

It was resolved that there was no objection to this application.

2) PAP/2009/0380 Market Tavern, 21 Market St, Atherstone

Alterations to improve access for the disabled incorporating secured closure of existing front door, removal of internal lobby, re-opening of side entrance door, formation of new rear door.

Conversion of store to disabled toilet, new internal ramp

Together with

3) PAP /2009/0381 Market Tavern, 21 Market St, Atherstone

Listed building consent for alterations to improve access for the disabled incorporating secured closure of existing front door, removal of internal lobby, re-opening of side entrance door, formation of new rear door. Conversion of store to disabled toilet, new internal ramp

It was resolved that there was no objection to these applications.

4) PAP/2009/0383 Kwik Fit, Milliners Court, Coleshill Road

Advertisement Consent for 2 signs for illuminated fascia badge sign and fascia sign

It was resolved to re-iterate the previous resolution of the Town Council and request that the signage is not illuminated from between the hours and 8.00am.

5) PAP /2009/0440 Atherstone Station, Long Street, Atherstone

Listed Building Consent for demolition of station footbridge (as part of a wider scheme to create DDA compliant access to the station).

It was resolved to object to the removal of the foot bridge as it had not been clearly demonstrated that there was a risk to the structure. The footbridge is part of the heritage of Atherstone, it is consistent with the old station building and should be retained for the heritage of the Town and kept in Atherstone. In addition the footbridge provides essential means of crossing the tracks for example in the case of an emergency.

6) PAP/2009/0448 54 Westwood Crescent, Atherstone

Construction of a garage with non habitable storage above.

It was resolved that there was no objection to this application.

Yours sincerely

Mrs Sally Oldham
Trainee Town Clerk
