What has the Town Council done in 2022/23

1. Allotments

The Town Council provides allotments for rent. There are two sites, Merevale and Gypsy Lane.

Both sites are almost fully occupied, anyone requiring a plot should register at the Town Council offices.

The Town Council also owns the neighbouring Atherstone Allotment Association site, in Gypsy Lane.

The Town Council works with the Associations, and tenants, at the sites for their general improvement.

There was allotment judging and awards given out in the summer of 2022 at both sites.

2. Cemetery

The Town Council maintains the cemetery at Sheepy Road and is also responsible for the maintenance of burial and memorial records for the cemetery.

There were 20 burials, 31 internment of ashes and 1 ashes scattering.

3. Old Allotment Gardens

The land between the Cemetery and the A5, which runs from Sheepy Road through to the brook at Abeles Way, now known as The Old Allotment Gardens.

In early 2021 work began here on the future extension of the cemetery with investigation and survey works carried out working alongside a consultant. This work continues.

4. CCTV

The CCTV cameras and ducting in the town centre are owned and maintained by the Town Council who are also responsible for the staffing costs for monitoring the screens by dedicated CCTV operatives.

The live monitoring of the CCTV provides a proactive approach in which they work closely with the local Police Safer Neighbourhood Team.

5. Play Areas

There are two Play Areas managed and maintained by the Town Council: St Mary's Road, which is owned outright, and Westwood Road, which is leased.

Because there have been several instances of damage, vandalism, and anti-social behaviour at the both play areas both are now covered by CCTV.
