FAREWELLS AND WELCOMES

The year started in April 2021 with four vacancies, one in the South Ward and three in the Central Ward.

In April 2021 Cllr Stacey Wightman for Co Opted for Atherstone South.

In May 2021 following a By-Election the following Councillors joined the Council in the Central Ward.

Cllr Pauline Gurney
Cllr Derek Pickard
Cllr Keith Barnett

In March 2022 Cllr Carl Gurney suddenly passed away, this was very sad news for both the Town Council and the residents of Atherstone as he did so much representing the Town.

During 2019-20 when he was the Town Council Mayor, he raised £1,145 for the George Eliot Singing for Breathing Charity.

Our thoughts and prayers go out to his family.

What has the Town Council done in 2021/22

After the very challenging previous year for the Town Council and the residents of Atherstone during lockdown, some normality resumed.

1. Allotments

The Town Council provides allotments for rent. There are two sites, Merevale and Gypsy Lane.

Both sites are almost fully occupied, anyone requiring a plot should register at the Town Council offices.

The Town Council also owns the neighbouring Atherstone Allotment Association site, in Gypsy Lane.

The Town Council works with the Associations, and tenants, at the sites for their general improvement.

The allotment awards resumed and were judged in July 2021.

2. Cemetery

The Town Council maintains the cemetery at Sheepy Road and is also responsible for the maintenance of burial and memorial records for the cemetery.

There were 21 burials, 31 internment of ashes and 1 ashes scattering.

3. Old Allotment Gardens

The Town Council has been unable to attract funding to improve the land between the Cemetery and the A5, which runs from Sheepy Road through to the brook at Abeles Way, now known as The Old Allotment Gardens. In early 2021 work began here on the future extension of the cemetery with investigation and survey works carried out working alongside a consultant.

4. CCTV

The CCTV cameras and ducting in the town centre are owned and maintained by the Town Council who are also responsible for the staffing costs for monitoring the screens by dedicated CCTV operatives.

This has been much improved during 2021-22 with a more proactive rather than reactive approach to the monitoring of the CCTV.

The Town Council is in partnership with North Warwickshire Borough Council and Warwickshire Police.

The system includes a direct link to Police Headquarters at Leek Wootton.

An upgrade to the CCTV camera system was completed this year with new modern panoramic cameras and monitoring equipment.

The Town Council supports the retail radio system, for the town, now known as Town watch. Subsidies are given towards the cost of the radios, for those taking part.

5. Play Areas

There are two Play Areas managed and maintained by the Town Council: St Mary's Road, which is owned outright, and Westwood Road, which is leased.

Because there have been several instances of damage, vandalism, and anti-social behaviour at the both play areas both are now covered by CCTV.

6. Planning

The Town Council is a Statutory Planning Consultee, and comments on planning applications in Atherstone, and those which would affect Atherstone.

Planning applications to be considered can be found on the monthly Town Council agenda and responses on the website.

7. Christmas Lights

The Town Council owns the Christmas lights in the Long Street, Church Street and Market Street areas and outside St Mary's Church, and is totally responsible for the purchase, testing, maintenance, erection and dismantling of the lights.

Additional pole mounted displays were installed in Station Street and a new street crossing in Long Street in December 2021 to compliment the new Christmas light displays installed in 2019.

8. Support for Local Community Events held in the Market Square

Some events took place this year after being halted in 2020, the Car Show and Beer Festival took place but sadly the Dickens Event in November 2021 was curtailed due to adverse weather conditions.

9. Support for Local Community Groups

The Town Council can make small grants to assist local community groups. Details of these can be found on the website.

During 2021/22 the Town Council also supported organisations via Community Grants

10. Honorary Citizen, Ruby Chambers Award and Annual Dinner.

Each year the Town Council debates the choice of Honorary Citizen, an award made to a person(s) who, in the opinion of the Town Council, has made an outstanding contribution to the life of the town.

This year the award was made to Keith Lewis in recognition of his commendable contribution and many years' service to Atherstone including the Annual Sleigh Run.

The new Ruby Chambers Sports Award was awarded to Jacob Trollope this was presented at the Atherstone Sports Club in March 2022 by Cllr Mark Jordan and Cllr Jacky Chambers.

The Chairmans Annual Dinner was held after the year end in May 2022

11. Floral Displays

The Town Council maintains the floral displays in the town centre during the year with summer and winter plantings.

Four extra planters were put in the Market Square in 2021 that were purchased through a Borough Councillor grant from Cllrs Ray Jarvis and Cllr Mejar Singh.

12. Website

The Town Council has its own website which is maintained by the clerks and gives up to date information of Council activities, local news, and documentation. The new website is working well.

13. Local Council Award Scheme (formerly Quality Council)

The Town Council was re-accreditation of the Foundation Level in February 2021.

14. Market Square

The Town Council has an agreement with North Warwickshire Borough Council, to manage events on the Market Square. The Town Council continued to manage the twice weekly market.

The Town Council owns pop-up stalls and a canopy which cover most of the Square. These are available for the use of community groups, and events,

Details and costs can be obtained from the Town Council office.

The use of the Market Square for events was still somewhat curtailed this year but the Town Council did continue support the local publicans by allowing them to serve drinks outside on the Market Square in a Café Culture style.

A monthly Farmers Market began in February 2022 and has been well received and growing each month.

Food traders have started to operate during the late afternoon/evenings on various nights.

15. Arcade Shops

The Town Council owns and operates the Arcade Shops, in Long Street. This complex provides a mixture of retail, commercial and community use.

The Town Council have been in consultation with community groups and commercial organisations to assess the demand for the upstairs space.

During 2021/22 there were again some changes of tenants but currently all unit are occupied as below.

Unit 1	Arcade Vapes/greeting card shop

Unit 7	Edible Links – social supermarket
Unit 8	Make and Made in Style
Unit 9	Arcade Carpets
Upstairs front	Nail Bar

Anyone interested in going on the waiting list for future space in the Arcade should contact the clerks at the Town Council offices.

16. Owen Street Community Arts Centre

The Town Council owns The Arts Centre, Owen Street, Atherstone, CV91DG.

This was purchased to retain and protect this important community asset for the people of Atherstone and the surrounding area.

All covenants restricting the future use of the building as a community resource remain in place.

The building has been leased back to the Owen Street Community Arts Centre whose Board of Directors are fully responsible for running the facility, including bookings and items such as maintenance, insurance and running costs. The Board are keen to promote wider community use of the building.
