Hi Sorry,

I just realised i never submitted a report for this.

I attended the meeting of the North Warwickshire area Comittee (NWAC) on 19th March 2023, there were a number of interesting points covered:

- There was an excellent presentation from Ryan Lee-Wilkes on planning enforcement (Slides attached)
- There was a discussion about how smaller councils in the area might be able to work together to leverage their purchasing power
- There was a comment that one of the forthcoming changes in the proposed Levelling up & Regeneration Bill (LURB) is that the restriction on parish and town councils being able to take on maintenance of religious buildings is planned to be removed

The next meeting is planned for June, date TBD
