

## Mayoral Report – for 16<sup>th</sup> May 2024

It was truly unforgettable to witness the premiere of Disability Through the Lens of Drama, presented by the Leading Players Theatre Group. The exceptional cast and crew showcased their talent and dedication, creating a film that beautifully captured the complexities of disability through the medium of theatre. From poignant moments of reflection to uplifting scenes of triumph, the film expertly navigated through a spectrum of emotions, leaving a lasting impact on all who attended.

It was a night I will not forget in a hurry.
