Subject: Planters Sheepy road

Cllr Singh and myself are exploring the possibility of placing 2 or 3 planters on the grassed area opposite St Mary's church to enhance that location.

In the autumn, the borough council will be re-seeding and tidying the area, and we see it as appropriate to include planters at that point.

What we are looking at and ask for agreement from Atherstone town council is for us (Mejar and Myself) to buy the planters funded from our councillors fund and plant for the first season, probably spring and after that ATC to include in the annual planting and watering schedule, this will be exactly the same as we did with the 4 planters that we bought for the market square.

Could you please include this as an agenda item in your September meeting.

Regards

Cllr Ray Jarvis
