

## Responses Overview Closed

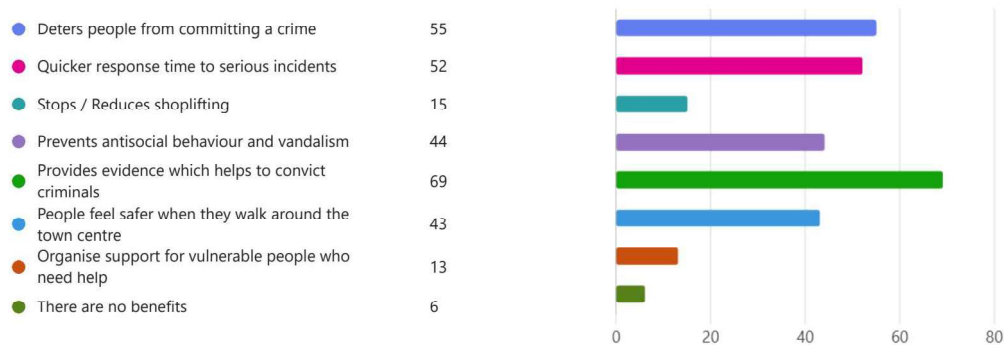

1. Were you aware that there is a CCTV system operating in Atherstone?

2. How did you become aware that there is a CCTV System in Atherstone? (please choose any that apply)

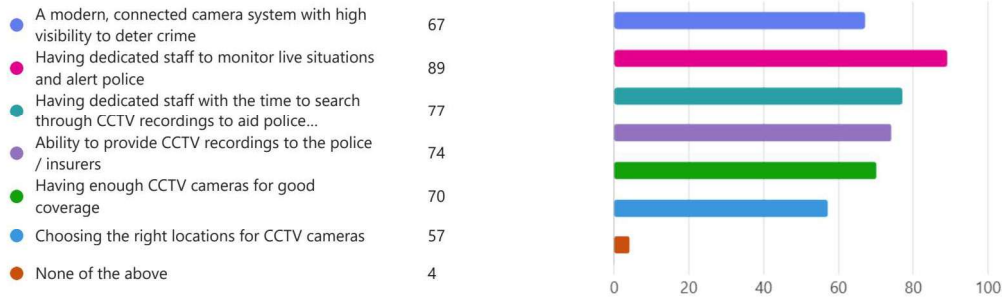

3. What do you consider are the three most important benefits to having CCTV & Town Watch Radio in the town? (please choose 3 options)

4. The towns CCTV service is a network of modern, high resolution cameras , operating 24 hours a day, 7 days a week , which has an active monitoring service staffed by two dedicated full-time members of staff based in a local Control Room. The CCTV staff work closely with the local police to detect and respond to incidents in real time.

**Which of the following features of our CCTV system do you consider to be important? (Please choose any that apply)**

5. Are there any other places in the town which you think should , additionally , have CCTV coverage in the future?

"It has reduced crime in the town, and im certain reduces shop lifting in the town ... "

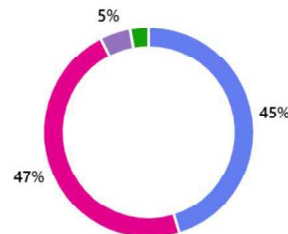

15 respondents (26%) answered crime for this question.

8. Atherstone Town Council work closely with North Warwickshire Borough Council to provide the Town Centre CCTV service. Last year it cost around £80,000, only half of this was met by your precept, next year it will cost more.

Thinking about the future of this service, which of these options would you prefer to see ?

- To increase spend and increase CCTV coverage to other areas in the town 48
- To maintain the current CCTV service and Town Watch Radio Scheme as now 50
- To reduce the service and maintain a camera only network (no monitoring staff) 0
- To cease the CCTV service and invest in other services 5
- Other 3
