Dear Cllr Bishop

High Sheriff Nominations for 2031/32

The High Sheriff's role is valuable to the county's civic life. To remain so, the process of nomination for this Royal appointed role must be as broad and representative as possible.

Accordingly, the nominations committee has asked me to write to you amongst other key members of Warwickshire's civic society who interact with the office of the High Sheriff to invite you to put forward individuals whom you feel may make a good High Sheriff in the future.

It should be borne in mind that whilst there is no 'job description' or definitive commitments, it is a self-funded role that will require an investment of time on the part of the individual. In essence, we are seeking individuals who have a 'civic footprint', displaying some evidence of engagement within the county. Further information on criteria can be found on

<https://highsheriffofwarwickshire.co.uk/nomination> and I would be happy to talk to you further if you have any questions.

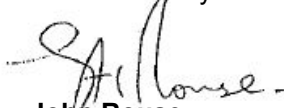

We are currently working on a 5-year cycle and the nominations committee will be reviewing candidates for 2031/32 later in the year. If you do have any one to put forward for consideration, please let me have the details by close of business on 30 June.

There is no obligation to send nominations but it is likely that I will repeat the invitation as part of our continued commitment to ensure the field of potential candidates is as wide as possible in the future.

Please do not hesitate to contact me if there is any clarification needed or if there is any project the High Sheriff can help with.

Kind regards

Yours sincerely

John Rouse
