Good morning,

North Warwickshire Borough Council is reviewing its Street Trading Policy and is consulting on several changes to the existing policy.

Street trading covers a wide range of outdoor retail and catering activities undertaken in public streets. It includes familiar sights such as flower sellers, ice-cream vendors, fancy goods, souvenir stalls and a variety of hot and cold catering activities such as burger vans. It does not include the council's markets which are covered under different regulations.

Please view the documents for proposed changes. Please make sure you take part if you are an existing licence holder, authority or member of the public that may be affected.
