Hello Sally

Congratulations, we're going to fund your idea

We're really happy to tell you we will be funding your project following your application to the National Lottery Community Fund.

This means The National Lottery Community Fund is giving Atherstone Town Council £19758 to help your community thrive.

We'll send the funding to your bank account

You should see the funding in your organisation's account in the next couple of weeks. So you can start spending it on the activities you told us about in your application as soon as it's in your account.

Check the terms and conditions

Our National Lottery funding is public money. So your funding comes with terms and conditions on how it can be used. You agreed to comply with these when you applied for this funding.

Before starting your project you should read and understand these [terms and conditions](#).

Keep records of your spending and your receipts

You must keep records of all the things you spend your funding on **both** while your funding is still in progress **and** after your funding has ended. If you fail to provide us with evidence of your spending when we ask to see it, we will ask you to repay the funding to us.

You can find more information on how you should manage your funding and how long you should keep records for in our [financial controls and financial governance guidance](#).

Managing your grant

You do not need to send us any project updates unless we ask you for them. Read about what sort of records you need to keep in our [guidance on managing your grant](#).

It's important you tell people your funding came from The National Lottery

This will help as many people as possible see how the money raised by National Lottery players supports people and communities to thrive.

To help do this you can:

- [download and use our logo](#)
- [order free branded materials](#).

Sharing your story

Telling everyone where your funding came from will also help you spread the word about your project, and the great work you're doing in your community.

We'll publish the good news on our website. We may give a summary of your funded project, and others like it, to local media.

You can share the good news about your National Lottery funding with your community and local MP before we publish anything. For help with this read our [guidance on promoting your project](#).

If you use social media

We'd love to hear more about your project on social media. Follow us or tag us in your posts using our:

- [Facebook](#), or tag TNLCommunityFund
- [Twitter](#), or tag @TNLComFund
- [Instagram](#), or tag TNLCommunityFund

If you want to share images or videos of people taking part in your project

Make sure you get their consent first. You'd normally do this with a consent form. Once you have the photos make sure they're stored safely.

We'll keep in touch

We'll keep sending you email updates. They should help you with things like:

- how to publicise your funding
- information on other funding
- ideas and tips on projects from other fund holders.

And last, but not least - well done

Congratulations on your project funding. And thank you for everything you do to support your community.

Get in touch if you have any questions at all
